The Humane Society of Livingston County provides pet adoption services, lost and found assistance, and humane education to our local community. We are ranked among the highest performing shelters in Michigan for animal save rates and adoptions, so you can be assured each animal receives the highest quality care possible until we find them a loving, permanent home. We are a non-profit, 501(c)3 organization, so your donations are tax deductible. We are not affiliated with any other animal organization or humane society and do not receive tax dollars.

Please help support our mission to care for the many homeless pets in our community!
